### • Important notes:

- Trade and generic names must be provided in English.
- This Form should be re-sent to: [info@saadc.org](mailto:info@saadc.org).
- Detailed and full explanation about the food supplement-related inquiries cannot be provided due to a potential presence of some compounds that are not listed in the composition label of the packaging, or due to a potential chemical reaction in the event of using more than one supplements that will result in non-guaranteed substances, all of which was confirmed by the WADA. We would like to draw the attention, and emphasize on the fact that all athletes are responsible to ensure that no prohibited substances enter into their bodies. Verification can be made through the following sites:
  - An approved site for verifying medicines and supplements: [www.globaldro.com](http://www.globaldro.com)
  - List of up to 300 prohibited supplements: <http://www.supplement411.org>
